City of LaGrange Animal Shelter Imposes Two-Week Moratorium on Cat and Kitten Intakes

LaGrange, Ga. October 20, 2021 – LaGrange Animal Services has imposed a two-week moratorium on the intake of any cats and/or kittens in an effort to assist in controlling a highly contagious upper respiratory infection that has spread among the currently held felines.

The Animal Services staff members continue to work closely with a local veterinarian to get the infection under control.

We regret any inconvenience this may cause for our community and hope to have the moratorium lifted in two weeks.
