

CITY OF LAGRANGE
WATER AND SEWER ADJUSTMENT
Revised: December 1, 2009

APPLICABILITY:

This schedule is applicable to and becomes a part of each rate schedule in which a reference is made to the "Water and Sewer Adjustment schedule."

RATE:

All bills rendered subject to the Water and Sewer Adjustment schedule shall be respectively increased by the amount necessary to recover the city's budgeted revenue requirements for water and sewer service as determined by the city, and to ensure that the coverage ratios for any outstanding bonds are maintained.

CURRENT RATE:

17%
